

LC75

FEATURES

LC75 wall lamp is an atmospheric lighting design, PC diffuser. With a up/down lighting design, it emits a soft and uniform light output. An ADC12 Aluminum housing which ensures great thermal management. Suitable for a wide range of environments thanks for its IP65 waterproof rating, and changeable CCT.

LINEAR INTENSITY DISTRIBUTION DIAGRAM

Basic Parameters

Watt	10W
Input Voltage	220-240V
IP Rating	IP65
Rated Life	>50,000 hours
Colour Temperature	3000K, 4000K CCT
CRI	>80
Dimmability	Dimmable option
