

LC15 – LINEAR LIGHT

FEATURES

- High CRI >90 / R9 >50 for natural color fidelity
- Low-voltage (DC24V) for safety and efficiency
- 110° wide beam angle for soft, diffused output
- Elegant slim profile (5.2mm wide) ideal for tight integrations
- Rated IP20, suitable for dry indoor applications
- Heat-tested to 850°C for compliance and durability

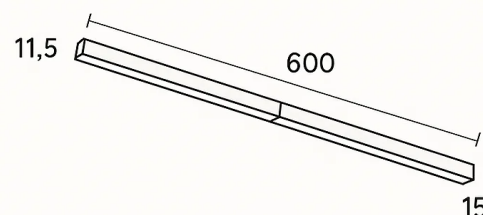

Basic Parameters

Track system	15mm
Input Voltage	DC48V
Light Source	COB LED
Power	10W
IP Rating	IP20
System Lumen	580lm (3000K) / 640lm(4000K)

Ordering Information

CODE: LC15-FL60

MODEL

TC15-FL60

POWER

6/12W

VOLTAGE

48V DC

2700K 3000K 4000K

BEAM ANGLE

110°
