

ILLUMI

FEATURES

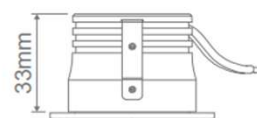

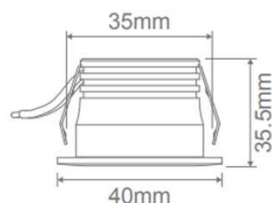

- Versatile Miniature Design – Ideal for cabinet lighting, display illumination, and subtle wall wash effects.
- Multiple Frame Options – Choose from 3W fixed or tilt frames, and a 7W deep set frame.
- Black or Satin White powder-coated finishes.
- High-Performance Optics – 24° optical lens diffuser paired with a premium COB LED chipset for precise, powerful light output.
- Colour Switching – Easily select between three colour temperature outputs via a discreet dip switch on the fitting.
